A RESOLUTION

Requesting that the President direct our representative to the United Nations to use all available means to encourage the member nations to recognize the lawful existence of the nation of Taiwan.

WHEREAS, the United Nations was founded on the principle that mankind can only achieve a real and lasting peace when every government recognized the universal rights of every human to enjoy personal freedom and security from hunger, thirst and harm; and

WHEREAS the Peoples' Republic of China has ignored and violated this principle repeatedly by its continuing refusal to recognize the rights of the people of the Republic of China to exist as a sovereign state; and

WHEREAS, United Nations has done little to remedy this gross and continuing injustice; now, therefore,

BE IT RESOLVED by the Twelfth Congress of the Federated States of Micronesia, First Regular Session, 2001, that the Congress of the Federated States of Micronesia request that the President direct our ambassador to the United Nations to use all available means to encourage the body to recognize the lawful existence of the Republic of China.

BE IT FURTHER RESOLVED that certified copies of this resolution be transmitted to the President of the Federated States of Micronesia.
