The Honorable Isaac V. Figir  
Speaker  
17th FSM Congress  
Palikir, Pohnpei, FM 96941

Dear Speaker Figir:

This is to inform you that I have grudging designated the following Congressional Act as Public Law No. 17-74.

Congressional Act No. 17-81, “AN ACT TO APPROPRIATE A SUPPLEMENTAL BUDGET OF THE $2,297,000 FROM THE GENERAL FUND OF THE FEDERATED STATES OF MICRONESIA FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2013, BY AMENDING SECTIONS 1, 2, 3, 6, 9, AND 12 OF PUBLIC LAW NO. 17-64 AS AMENDED BY PUBLIC LAWS NOS. 17-69 AND 17-72, AND FOR OTHER PURPOSES.”

The Act is approved but not without concerns and disaccord. Certain appropriated items in the Act went through the process without consultation with President’s Office. Appropriations were made without the necessary public hearings. The Executive branch would have appreciated an opportunity to provide comments on these amendments and I am referring specifically to sections 2(1) and 3(1). I questioned the need to increase the representation fund for Members and the President at this time knowing that we are just in the second quarter of this Fiscal Year. I truly believe that we could have waited until after we have had the opportunity to consult on the matter preferably in April or May.

Additionally, I am concerned that there are other equally important and priority supplemental budget requests that were perhaps, considered but not included in the passage of the Act, for instance:

- Trust Fund
- FSS Unity and DOJ personnel budget
- AIP Matching
- URA Automation Project
- Assistance to PUC Emergency
- Pension Plan
- Airport Project

One of these requests concerns legal obligation of the Government such as the AIP and is critical to the operation of the national government and it will sustain jobs in the construction industry.
Looking ahead, I cannot help but continue to be concerned about our ability to be financially sustainable and accountable to this Nation’s future, especially after the termination of the Compact in the year 2023. With this in mind, I am proposing and at the same time seeking the support of Congress, that we begin to enforce at the end of Fiscal Year 2013 and the subsequent fiscal year operations budgets any remaining balance from any unused and unexpended monies (carryover) to be invested in the FSM Trust Fund Account after such balance is being audited and determined to be unused and unexpended.

Further, we believe we still have over $6 Million remaining in the General Fund, unappropriated. I will be seeking Congress cooperation and understanding that we also transfer this fund to our FSM Trust Fund account. I note that certain members have expressed the desire that this money be distributed to the States to help their needs. While I applaud and agree that we must help the states in their critical needs, however, let us help them to make sure that we have and share the underlying plans and objectives to use the funds in manner that will address their specific priority needs. The best way to respond to their re-occurring needs is to reconsider the revenue sharing of 50% - 50% by increasing the State’s shares by 10% and reduce the National Government share by the same rate.

The Department of Justice, Department of Finance and Administration and SBOC are preparing the necessary legislation to implement this proposal for submission to Congress.

Nevertheless, and having said the above, I want to thank you and members for the passage of the above referenced Act. I look forward to a more cooperative and collaborative working relation with the Congress in the days ahead.

Sincerely,

Manny Mori
President
