AN ACT

To amend section 203 of title 7 of the Code of the Federated States of Micronesia (Annotated), to provide that as matter of evidence the renewal of FSM passports constitutes a rebuttable presumption of renunciation of dual citizenship, and for other purposes.

BE IT ENACTED BY THE CONGRESS OF THE FEDERATED STATES OF MICRONESIA:

1 Section 1. Purpose. The Congress recognizes and supports the prohibition on dual citizenship in the FSM. Nevertheless the Congress finds that it is often burdensome for citizens to show evidence that they have relinquished the foreign citizenship. This becomes acute in the case of FSM passport renewal where at each renewal the citizen is once again asked to present evidence of renunciation of foreign citizenship. This bill will create a rebuttable presumption that citizens whose FSM passport has been renewed twice shall be considered to have relinquished the foreign citizenship and are solely FSM citizens. The presumption is subject to rebuttal by the Government.

2 Section 2. Section 203 of title 7 of the Code of the Federated States of Micronesia (Annotated), is hereby amended to read as follows:

“Section 203. A citizen of the Federated States of Micronesia who is recognized as a citizen of another national shall, within three years of his eighteenth
birthday, or within three years of the effective date of the Constitution, which ever is later, register his intent to remain a citizen of the Federated States of Micronesia with the President or his designee in a manner and form prescribed by law or regulation and renounce his citizenship of another nation. If he fails to comply with this section, he becomes a national of the Federated States of Micronesia. A citizen who holds an FSM passport that has been renewed twice in a row is entitled to a rebuttable presumption that he has renounced the citizenship of another nation and that he is solely an FSM citizen.”
Section 3. This act shall become law with the approval of the President of the Federated States of Micronesia or by its becoming law without such approval.
