FIRST CONGRESS OF THE FEDERATED STATES OF MICRONESIA
FIRST SPECIAL SESSION, 1979
CONGRESSIONAL RESOLUTION NO. 1-35, C.D.1

A RESOLUTION

Requesting the High Commissioner of the Trust Territory, Adrian P. Winkel, to reorganize the Trust Territory Economic Development Loan Fund in order to decentralize its administration and management, and to allocate its assets on a per capita basis among the Governments of the Federated States, Palau and the Marshall Islands.

WHEREAS, the Economic Development Loan Fund established by the United States Congress to develop private enterprise in Micronesia has been frozen since 1975; and

WHEREAS, the emergence of three separate political entities in the Trust Territory has substantially altered political relationships in Micronesia such that the administration and management of the Trust Territory Economic Development Loan Fund, which is highly centralized in Saipan, no longer serves to develop the private economy of the Federated States, Palau and the Marshall Islands; and

WHEREAS, the only equitable and rational basis on which to allocate the assets of the Economic Development Loan Fund is according to population; and

WHEREAS, it is urgent that the Economic Development Loan Fund be reorganized as quickly as possible; now, therefore,

BE IT RESOLVED by the First Congress of the Federated States of Micronesia, First Special Session, 1979, that Trust Territory High Commissioner Adrian P. Winkel is respectfully requested to reorganize the Trust Territory Economic Development Loan Fund in order to decentralize its administration and management, and to allocate its assets on a per capita basis among the Governments of the Federated States, Palau and the Marshall Islands; and

BE IT FURTHER RESOLVED that a certified copy of this Resolution be sent
1 to Trust Territory High Commissioner Adrian P. Winkel.
