A RESOLUTION

Respectfully requesting the President, Secretary of the Department of Transportation and Secretary of Resources and Development to investigate the escalation of air transportation and shipping prices to and from the Federated States of Micronesia.

1 WHEREAS, the Federated States of Micronesia is an island nation
2 separated from its neighbors by many thousands of miles; and

3 WHEREAS, our remote location makes travel and shipping relatively
4 expensive; and

5 WHEREAS, the cost of air transportation and shipping to and from
6 the Federated States of Micronesia rose dramatically prior to the war
7 in the Persian Gulf; and

8 WHEREAS, the cost of air transportation and shipping elsewhere
9 in the world has been declining since the crisis caused by Iraq; and

10 WHEREAS, fuel costs have declined worldwide and the high cost
11 for air transportation and shipping to and from the Federated States
12 of Micronesia no longer has any apparent basis; and

13 WHEREAS, the Federated States of Micronesia is in a critical
14 state of its development; and

15 WHEREAS, excessively high air transportation and shipping costs
16 will discourage investment and tourism and strangle development in
17 the FSM; now, therefore,

18 BE IT RESOLVED by the Seventh Congress of the Federated States
19 of Micronesia, First Regular Session, 1991, that the Congress hereby
20 respectfully requests the President of the Federated States of
21 Micronesia, Secretary of the Department of Transportation and
22 Secretary of Resources and Development to take immediate steps to
23 investigate the cause of excessively high air transportation and
24 shipping prices in the Federated States of Micronesia; and

25 BE IT FURTHER RESOLVED that they report both their findings

T&C/R&D

4 be transmitted to the President of the Federated States of Micronesia,
