A RESOLUTION

Requesting that the President of the Federated States of Micronesia join the Congress in the creation of a Task Force on Reduction of Task Forces to study means to reduce the number of task forces in the Federated States of Micronesia.

1 WHEREAS, there has been an unjustifiable and drastic increase in
2 the number of government-related task forces in the Federated
3 States of Micronesia; and

4 WHEREAS, these task forces tend to duplicate, hinder, and/or
5 usurp the functions of legitimate governmental entities while
6 draining the public treasury; and

7 WHEREAS, this has resulted in a trend away from government
8 by the constitutionally-created branches of government and
9 towards undemocratic government by task force; and

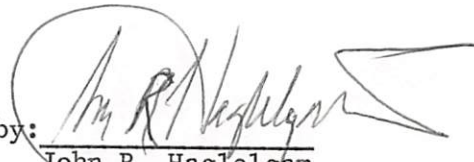

10 WHEREAS, democracy, political stability, and constitutional
11 government in the Federated States of Micronesia could best be
12 preserved by taking prompt action to reduce the number of govern-
13 ment-related task forces; now, therefore,

14 BE IT RESOLVED by the Fourth Congress of the Federated States
15 of Micronesia, Third Special Session, 1986, that the Congress hereby
16 respectfully requests that the President of the Federated States
17 of Micronesia join the Congress in the creation of a Task Force on
18 Reduction of Task Forces to study means to reduce the number of
19 task forces in the Federated States of Micronesia; and

20 BE IT FURTHER RESOLVED that certified copies of this
21 resolution be transmitted to the President of the Federated States
22 of Micronesia and the Speaker of the Congress of the Federated
23 States of Micronesia.
