

A RESOLUTION

Requesting the President of the Federated States of Micronesia to reprogram monies allotted by the High Commissioner to the President for the construction of staff housing to be used instead for subsidizing a well-drilling project for the Palikir Valley.

1           WHEREAS, approximately \$400,000 has been allotted by the High  
2 Commissioner to the President of the Federated States of Micronesia  
3 for the purpose of constructing staff housing for the National  
4 Government; and

5           WHEREAS, as of this date this allotted money has not yet been  
6 obligated; and

7           WHEREAS, an immediate need exists to reprogram some or all of  
8 these funds for the purpose of drilling water wells in the Palikir  
9 Valley so that the new FSM Capital can be assured of a continuous and  
10 adequate water supply; and

11           WHEREAS, this reprogramming could potentially serve the water  
12 needs of many people in the State of Ponape in addition to the needs  
13 of the National Government; now, therefore,

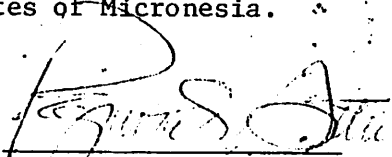

14           BE IT RESOLVED by the Third Congress of the Federated States of  
15 Micronesia, Second Regular Session, 1983, that the Congress hereby  
16 respectfully requests the President of the Federated States of  
17 Micronesia to reprogram monies allotted by the High Commissioner to  
18 the President for the construction of staff housing to be used instead  
19 for subsidizing a well-drilling project for the Palikir Valley; and

20           BE IT FURTHER RESOLVED that certified copies of this resolution be  
21 transmitted to the President of the Federated States of Micronesia.
