A RESOLUTION

Encouraging all governmental entities and all appropriate agencies, both public and private, to designate the Truk State medical facility as a referral center for the care and treatment of patients from throughout the Federated States of Micronesia.

1       WHEREAS, the medical facility located on the Island of Moen, Truk State,  
2       is nearest to the geographical center of the Federated States of Micronesia;  
3       and

4       WHEREAS, said medical facility at Truk State is also located in a  
5       major population center of the Federated States of Micronesia; and

6       WHEREAS, the physical structure, equipment, and staff of the medical  
7       facility of Truk State are among the finest available in the Federated  
8       States of Micronesia; and

9       WHEREAS, referrals to medical facilities outside of the Federated  
10       States of Micronesia result in large expenditures of funds that could  
11       otherwise be used to improve health care within the Federated States  
12       of Micronesia; and

13       WHEREAS, the designation of the Truk State medical facility as a  
14       referral center for the additional treatment of patients from other  
15       areas of the Federated States of Micronesia is desirable and feasible  
16       from a standpoint of both convenience and economics; and

17       WHEREAS, the designation of the Truk State medical facility as a  
18       referral center has been endorsed by the Leadership Conference of the  
19       Truk State government; now, therefore,

20       BE IT RESOLVED by the Third Congress of the Federated States of  
21       Micronesia, Third Regular Session, 1984, that all governmental entities  
22       and all appropriate agencies, both public and private, be encouraged to  
23       designate the Truk State medical facility as a referral center for the  
24       care and treatment of patients from throughout the Federated States of  
25       Micronesia; and

1 BE IT FURTHER RESOLVED that certified copies of this resolution be  
2 transmitted to the President of the Federated States of Micronesia; the  
3 Chief of the Federated States of Micronesia Division of Health Services,  
4 the Governors of Kosrae, Ponape, Truk, and Yap States, and the Director  
5 of each State Department of Health Services.
