A RESOLUTION

Respectfully requesting the President of the Federated States of Micronesia to join with the Congress of the Federated States of Micronesia in establishing a joint task force to study the issue of compensation and benefits for National Government employees.

1 WHEREAS, a lack of consistency exists among National Government
2 exempt employees as to what compensation and benefits they should
3 equitably receive; and

4 WHEREAS, an anomalous situation is now in the making whereby
5 certain regular employees of the Public Service System are eligible for
6 more compensation than exempt employees who are supervising them; and

7 WHEREAS, several measures have been introduced into the Congress
8 of the Federated States of Micronesia which seek to remedy these
9 personnel problems, but a lack of consensus has prevented a comprehensive
10 scheme from emerging which will alleviate these problems; and

11 WHEREAS, it is the belief of the Congress that the best way to
12 develop a comprehensive approach to compensation and benefits problems
13 is to establish a joint task force in this regard; and

14 WHEREAS, it is the belief of the Congress that it is now timely
15 and appropriate to establish within the next 30 days a joint task force
16 which will have the mandate of analyzing these compensation and benefits
17 problems and making specific recommendations to alleviate these problems;
18 now, therefore,

19 BE IT RESOLVED by the Third Congress of the Federated States of
20 Micronesia, Fourth Regular Session, 1984, that the President of the
21 Federated States of Micronesia is respectfully requested to join the
22 Congress of the Federated States of Micronesia in establishing a joint
23 task force which will have the mandate of analyzing compensation and
24 benefits problems of the National Government and making recommendations
25 to alleviate these problems; and
